2. I beg to refer to the D.O. correspondence noted in the mar-gin under which Major Jones has now to intimate his decision whether he will return to Military duty or remain " in Mysore and forego his chances of " advancement under the Government of India" Major Jones has decided to remain in Mysore after the period of the present loan and to forego his chances of advancement under the Government of India; he communicated this decision to me on the 23rd August 1899 soon after his return from leave, and the Durbar are, as already intimated by me, anxious to retain Major Jones in their service after the expiry of the present loan. Under such circum-stances I shall be obliged by your moving the Govern-ment of India to be so good as to sanction a permanent loan to the State of Major Jones' services, as was done in the case of the late Col; A.H.
